I hereby certify that I am the Owner/Developer, or authorized representative for, in connection with the above-named project. I acknowledge that this/these model home(s), if permitted, the HCS for the/each dwelling unit shall not be physically connected to the public sewer system; sold or occupied for residential purposes, until the following Public Sewer Requirements have been met; #1) construction is completed, #2) accepted by ADEQ and #3) a final release letter issued by Pima County for the Public Sewer (G#) identified above. If such connection occurs, *no further requests for hold harmless letters will be approved.*

All requirements of the building codes agency having jurisdiction have been satisfactorily completed. I also understand and agree that my company, _____ its successors and assigns, shall indemnify, defend at their own cost and **hold harmless** Pima County, it Board of Supervisors, officers, departments, employees and agents from and against any and all suits, action, legal or administrative proceedings, claims, demands or damages of any kind or nature now or in the future which may arise as a result to the issuance of this/these model home permit(s).

Signature:	Title:	Date:

The public sewer construction plans have been accepted (approved) for the public sewers to serve the requested model/ production home(s); therefore, we would have no objection of building permits for the lots indicated above, subject to the following conditions:
